BUNKER BEARS

ONE MORE BOWL

ISSUE #1

BAD TRADES. GOOD COMPANY.

Sulks arrives with a wet cardboard box and nowhere else to go.

Inside the bunker, Marge keeps the broth stretching, Refresh keeps checking, and everyone has a story they'd rather not tell.

They came looking for somewhere to stay. They found people who stayed.

NEXT ISSUE:
BREAKFAST IS A BEAR MARKET.

Sulks's first morning brings empty coffee tins, questionable pantry supplies, and two more bunker residents: **Moonsoon** and **Rugworth**.

THERE'S ROOM FOR ONE MORE.
